Jordan is easily one of the best GSIs I have ever had, and honestly she's the reason I'm even passing the class. Normally making such insane extension requests would probably get us chastised by another class for "falling behind" and the timeline "not being realistic" or "course policy" or whatever; Jordan's flexibility and understanding of my situation and trust in my capabilities, and willingness to work directly with me and my partner, is the reason I have even remotely any chance of passing this class right now. It was a really difficult semester for me because of personal matters, family emergencies piling up, and Ramadan, but Jordan's willingness to help really kicked in and helped me turn things around in the 11th hour to wrap up assignments rapid-fire.

Jordan is an amazing TA!!!! She helped me keep up with the course really well and was helpful and encouraging when I fell behind. I really liked her slower paced discussions.
AMAZING
