Open Ended Instructor Questions

Was very helpful during office hours; encouraged me to solve the question on my own while still clarifying in a really helpful manner.
For my project 2 design review, I did feel a little caught off guard by some of the questions, and it was somewhat stressful. Then again, I think this could be resolved moreso by the course providing more clear expectations for design aspects to have prepared.
Absolutely goated, thank you Jordan. Patient, thoughtful, teaches well.

Jordan helped me ensure I was on track to catch up on a lot of my missing work that piled up during a family emergency. It took a huge weight off my chest to have a student support meeting and discuss a game plan for the semester with them.

Great GSI!
Very nice and understanding, thank you Jordan
I worked with Jordan during student support. She appears to be very calm and has a good understanding of the computer security subject. Much respect to you
Really appreciated the support I recieved when requesting extensions due to mental health issues.

They were very approachable and easy to talk to.
