I was nervous about falling behind in the course but Jordan sent me an email and we scheduled a meeting to work out new deadlines. It was honestly really relieving and I think it was really important for me to stay in the course.

If you have additional comments regarding your experience around climate and inclusion in the classroom, please share them here

A bit difficult to work with.
Jordan is awesome (albeit intimidating). Thank you for being super helpful! I just wish you were a little friendlier in person because as one of the head TAs, it can be very scary to approach you.
so understanding, so humble, great at explaining, so kind, made me feel so seen
