All around wonderful person. Super helpful . I hope they are successful in whatever career they would like :) They have a talent for educating
She can explain concepts at any level of understanding and stands out in the classroom not just as a support, but a teacher. Definitely going places!

Thank you so much Jordan!!
Very clear when communicating concepts, with easy-to-follow examples.

If you have additional comments regarding your experience around climate and inclusion in the classroom, please share them here

Jordan is great, I highly recommend anyone choose Jordan as a TA
Exceptional :) very kind and understanding
Jordan is overly prepared and in my opinion, made office hours a very hostile environment by making students fill out the ticket descriptions when no one else required it and micromanaging things. She is good at explaining concepts but when receiving her help she asked me if I had other questions when I was still asking about the one I was on because she had to get to other students. I understand the necessity to assist everyone but I also waited for my spot and was going to request another queue for each question I had regardless but because of her request, I no longer felt comfortable asking for her help on the question I was on.
Jordan Schwartz is one of the hardest working people on this entire team! Making sure to optimize office hours as a time for collaboration and getting work done, and not to mention making sure that every students need is accommodated, and not mention her incredible work supporting students with assignments during office hours. Easily sets the best example for her team!
I don't know who this is.
TA Schwartz is a very, very kind TA. I really appreciate all the help I received from TA Schwartz, and I wish that TA Jordan will succeed in future works.
Encouraged student collaboration. Managed Groups effectively. Team Leader.
